

If you have completed your **Impact Ambulatory Assignment** and have turned in your skill validation and you still see your assignment on your learning tab, try this:

1. Click on the course and open to the screen below.
2. Click on the Competency Validation Checklist icon.
3. Double check to make sure that your course moves over to your transcript.

The screenshot shows a web browser window displaying the 'Course Details' page for the 'Impact Ambulatory Medication Reconciliation Module-UAHSF'. The page header includes the UAB MEDICINE logo and the text 'UAB Faculty & Staff Learning System'. The user is identified as NICKI J KOSKI, University of Alabama HSF Administrator. The course details section shows the course title and an estimated length of 170 minutes. Below this, there is a 'Course Learning Activities' section with a table of activities. The 'Competency Validation Checklist' activity has a status of 'Not Yet Started', which is circled in red. Other activities include 'Presentation' (Completed), 'Online Test' (Passed), and 'Competency Validation' (Completed).
